

27th September 2013

Dear Swimmers/Parents

The following are dates when there will be NO swimming lesson:

Friday 4th and Sunday 6th October due to the Swimathon, please note club teams are swimming Friday night 6-7 or 7-8, if you wish to swim with club please put your name and age on the sheet by the office and take a sponsorship form. Swimmers from small pool can also enter.

Friday 25th October and Sunday 27th October, our swimmers will be attending Tigers Open in Jersey and many teachers will be attending with their own children so we can not cover all our lessons so have the weekend off and enjoy the last weekend of half term.

Friday 22nd November and Sunday 24th November, Guernsey Swimming Club is hosting the Rothschild Island Championships which is over the whole weekend. We would like to see as many of our swimmers entering our own club events and supporting the club whenever possible, this is a long weekend but it is great to see so many 'green' shirts on poolside and caps in the water.

Sunday 1st December, we will be holding our Penguin and Seagull Gala, with presentation afterwards, more details and entry forms closer to the day.

Club lessons at Beau Sejour will finish on Friday 13th December (Seniors please note: St Sampsons High will finish 20th December) and normal lessons resume the week starting Monday 6th January, but there will be no swimming on Sunday 12th January 2014, as Saturday 11th is the clubs' Annual Dinner and Presentation night. All parents and swimmers are invited to attend and menus for this will be available soon.

Preschool (8/8.30am) will restart on Sunday 19th January 2014.

The club will be running a Virtual Gala on Saturday 18th January, which means 2 club teams racing against each other for the best times in each race and these times being submitted against times from other clubs in the county. We have won this trophy before so please keep this date in your diary.

Swimmers please note: entries for this years distance events and entry forms for Rothschild Island Championships are now available and Channel Island Championship forms (for weekend January 24/25/26 2014) will be out in the next week or so. Closing date for all galas can be found on the clubs website www.guernseyswimming.com
